For more great reading visit each author's website, including that of our chapter's most prolific authors, JoyceandJimLavene.com. The Lavenes wrote more than 70 novels in 16 series and 10 standalones, sold worldwide by Penguin, Harlequin, Amazon, and Simon & Schuster. In 2011 Jim served as our chapter president, succeeded in 2012 by Joyce until her death in office October 2015. Jim died 6 months later. They are greatly missed. One bright note: their books continue to delight readers everywhere.
